## *Adult Day Services*

Being the caregiver to a dependent senior is very rewarding, yet at times can be very difficult. Adult Day Services is designed to provide services that complement the lives of both the caregiver and loved one. This program enhances participants' independence in an enriching environment, providing families with the support they need to care for a loved one at home for as long a possible.

Saint Mary's Adult Day Services is open Monday through Friday from 7 a.m. to 5 p.m. Clients may participate in half or full days, one to five days a week.

## *Independent Living Residential Living*

Residents at Saint Mary's East can take advantage of a wide array of services, enabling them to maximize their independence. Seniors in Independent and Residential Living enjoy numerous amenities including private rooms and suites, convenient parking, an activity program, three restaurant style meals, Senior Cable TV, housekeeping, laundry and utilities.

Additional services available in Residential Living include:

- 24-hour nursing supervision
- Round-the-clock emergency notification system

## *Personal Care Services*

(Available for an additional fee and Physician's order.)

- Medication support and/or administration
- Personal hygiene assistance including bathing, assistance with dressing, supervision and guidance in daily grooming

## *Nursing Facility Care*

Residents share in the life of the community through a variety of interactive activities while receiving healthcare services. Whether requiring only a short stay or long-term care, residents receive 24-hour nursing supervision under the guidance of a Physician. Private and semi-private rooms are available. Saint Mary's East is Medicare and Medicaid certified. Residents' personal Physicians may direct their care if on the active staff of Saint Mary's Home of Erie.

## *Alzheimer's Nursing Facility at the Gallagher Center*

The Gallagher Center is a "free-standing" unit that provides specialized nursing care services for those with Alzheimer's disease or related disorders. Activities are designed to strengthen connections to past interests and experiences so residents may enjoy the highest quality of life possible. Private and semiprivate rooms offer a homelike atmosphere. Residents' personal Physicians may direct their care if on the active staff of Saint Mary's Home of Erie.

## *Respite Care*

Respite Care is available for those who need to leave home for a business trip, vacation or just a few days away. Saint Mary's East provides the care your loved one deserves, so that you and your family have the opportunity to enjoy your brief time apart. (This service is subject to room availability.)
