Mission Statement
Founded by the Sisters of St. Joseph and operated in the Catholic tradition, Saint Mary’s Home of Erie is committed to an environment of loving to care where primarily seniors, their families, staff and volunteers participate in fostering an atmosphere of community.

Vision Statement
Saint Mary’s Home of Erie, through partnership, networking, and referrals will be a principal enabler to primarily seniors in the Erie Community aiding them in living their lives in a respectful, dignified and fulfilled manner.

Congratulations to the Sisters of St. Joseph who are celebrating 150 years of service in the Erie Diocese.

As a sponsored ministry of the Sisters of St. Joseph, Saint Mary’s Board of Trustees, Administration and Employees would like to thank the Sisters of St. Joseph along with their Associates, friends, families and supporters for meeting many of the needs in our Diocese for the past 150 years.
What an exciting year 2009 was for all of us at Saint Mary’s Home of Erie!

As you know, we celebrated our 125th Anniversary on September 21, 2009 and are well on our way to a future of bright promise and some unknowns!

This 2009 Annual Report will give you but a glimpse of our activities of 2009. I wish I could bottle the excitement of this past year for all of you to experience! Whether it was paying tribute to “the giants on whose shoulders we stand”, our many Anniversary celebrations, our culture change endeavors at both Saint Mary’s East and Saint Mary’s at Asbury Ridge, our construction project for the Skilled Nursing Facility at Saint Mary’s East, our new skilled nursing dining changes at both facilities, our quality initiatives, or the myriad of ways our Mission was made alive twenty-four hours a day, seven days a week – excitement abounded!

We are a team – a family - of residents, employees/volunteers, and family members/friends on a journey of life. Our Mission on this journey is “loving to care” and “fostering an atmosphere of community” in a faith-based atmosphere. Our Vision is to “…be a principal enabler to primarily seniors in the Erie Community aiding them in living their lives in a respectful, dignified and fulfilled manner”. That vision moves us forward in our culture change endeavors. What is it that we can do to assist our Residents in continuing to live life in a fulfilled manner? Is it a home-like environment, a private room with a private bathroom, a more home-like dining experience with menus and as few trays as possible, courtyards full of flowers and flowering trees, activities geared to the Residents’ interests, an opportunity for spiritual activities, and last but not least the building of community both within and outside our walls? If so, this was one of our goals for 2009 and we hope that you can see some of our accomplishments of that goal in the pages that follow. These efforts will continue as we move forward into 2010.

What are some of the unknowns we face? Well – who really knows?
A few questions might be:

- how will healthcare reform impact long term care and the healthcare environment?
- more specifically, what changes in reimbursement are headed our way both from the state and federal governments?
- what regulatory changes will be forthcoming in long term care?
- will Assisted Living licensure surface and how will it effect existing programs and services?

These are but a few of the unknowns we have been facing in 2009 and will carry over to 2010.

(continued on page three)
I would like to pay tribute to:

- the founding Sisters of St. Joseph who envisioned a home arising out of five (5) acres of swampland they purchased from John Gensheimer in 1883 and set about to reclaim

- the Congregation of the Sisters of St. Joseph of Northwestern PA who have continued to sponsor Saint Mary's Home of Erie

- the many Sisters of St. Joseph and Associates who have and continue to minister at Saint Mary's and are an integral part of our Catholic faith-based atmosphere

- our residents and their families who are the reason for our existence. A special debt of gratitude is due to the nursing facility residents and families at Saint Mary's. We, since 2008, have experienced many changes and, yes, some inconveniences due to our $21 million skilled nursing construction project. Yes, the end is in sight! The final Resident room changes, due to the project, are scheduled to be made April 15, 2010 and then the last phase of the interior renovations will begin!!! You have been most patient and understanding! Thank you!

- our fantastic team of employees and co-workers who provide the hands-on care and services to our residents/families, and each other. The Mission is alive through each of you! We may not be perfect, but together we are a team striving to live out that Mission each and every hour of each and every day. You are a great group to minister with!

- our volunteers, the Friends of Saint Mary's, who freely give of their time and talent to enrich our activities program

- our Auxiliary who enhance our services through their various fundraisers

- our Board, Administrative Team, and Strategic Managers who work together to strategically move us forward in our Mission and Vision. They are untiring!

- our generous donors and friends without whose generosity we would be unable to live out our Mission to the fullest and provide all of the services and programs our residents need and deserve!

Thank you all from my heart of hearts for your support of our Mission in 2009. After all, we're Saint Mary's and we're all about YOU!

Phyllis McCracken, SSJ
President/CEO
“If someone is ever in question about moving to Saint Mary’s all they have to do is visit the place. They will be impressed. Once you see it the decision is easy.”

Community van outings, bingo games and a Chapel are some of the things you will hear Veronica Cywinski brag about when she talks about her home, Saint Mary’s East. Veronica has called Saint Mary’s her home for the past three years. She keeps herself very active, despite not being able to drive, with all of the activities offered at Saint Mary’s. “I don’t ever get bored here,” explained Veronica. “There are always things I enjoy doing if I feel like it.”

It did not take a lot of contemplating when Veronica started considering moving into Saint Mary’s. After her husband passed away, she sold her home and moved into an apartment. She lived in the apartment for 24 years before moving to an area highrise to better accommodate her needs. Both of her daughters lived out of town so naturally it was hard for them to physically help their mother when she needed it. It was when Veronica had several incidents of falling that she and her daughters became very concerned. Instead of Veronica renewing her lease for another year, she decided to move somewhere that gave her “peace of mind,” a place where help was there when she needed it. “I knew of a lot of places in Erie, but Saint Mary’s was the place for me. I never considered anywhere else,” exclaimed Veronica.

Veronica was not a stranger to Saint Mary’s when she made the decision to move in. She was, and still is, an active volunteer in Saint Mary’s Auxiliary, a volunteer group of women who find different ways of raising money to help support Saint Mary’s. Veronica joined the Auxiliary shortly after her husband passed away. “It was a great way for me to give back to the community and it also kept me active and social,” said Veronica who is now going on 26 years as an active Auxiliary member. “The women are very nice and make me feel very comfortable. I am also able to help make a difference in people’s lives and that is important to me.”

Veronica enjoys her independence and that is ultimately what brought her to Saint Mary’s. She is able to get assistance with the things she needs, but also able to maintain her independence. “I love getting out with the different van outings, playing penny bingo, walking around the beautiful campus, visiting friends and most of all going to Mass everyday,” exclaimed Veronica. “If someone is ever in question about moving to Saint Mary’s all they have to do is visit the place. They will be impressed. Once you see it the decision is easy,” explained Veronica. “My daughters are more at ease knowing there is help here for me, when I need it, and that I am happily doing the things I want in a safe environment.”
A 125 Year Tradition

Saint Mary’s Home of Erie began its legacy of caring in 1884 when the Sisters of St. Joseph of Northwestern Pennsylvania founded a home for the elderly on the Eastside of Erie.

Saint Mary’s has served Erie County for 125 years, offering a faith-based approach to care that fosters quality of life for seniors and their families.

As we continue to live out the mission that began so many years ago, Saint Mary’s was proud to be recognized by our community as Erie’s Choice Retirement Facility in 2009.

Pictured (L to R) is Saint Mary’s Administrative Team: Mary Fromknecht, SSJ, Saint Mary’s East Administrator; Phyllis McCracken, SSJ, Saint Mary’s President and CEO and Audrey Urban, Saint Mary’s at Asbury Ridge Administrator.

Not-for-Profit Difference

Being a not-for-profit organization allows Saint Mary’s to concentrate on what is most important—reinvesting our resources back into our residents, employees and community.

Community leaders serve on our Board of Trustees. These volunteers help ensure that Saint Mary’s remains true to our mission, responds to local needs and serves as an effective steward of our resources.

Educating Families and the Community

Many employees at Saint Mary’s are recognized as leaders in their field and frequently share their knowledge, skills and expertise with residents, families and the community.

Saint Mary’s hosts Town Hall style meetings for residents and family members, Community Education Programs that are free to the public and offers informative presentations at various events throughout the Erie area.

Operated in the Catholic Tradition

As a Catholic community, we offer beautiful on-site chapels and full-time chaplains at each campus. Regular masses and ecumenical services are available for our residents. In addition, residents are able to nurture their spirits through prayer services, bible study, religious celebrations and a 24-hour view of the chapels on a Senior TV Channel.

476 Employees

Each employee plays an important role in our mission of “Loving to Care.” Our workforce makes significant contributions to the field of aging.

Contributing to the Economy

$14 Million in Wages and Benefits

Saint Mary’s not only contributes greatly to the medical health of the community, but to the economic health as well.

Educating Tomorrow’s Healthcare Professionals

Saint Mary’s serves as a clinical site for future healthcare professionals. Students from Gannon University, Mercyhurst College, LECOM and other local schools come to Saint Mary’s for hands-on educational experiences in the field of long term care.

Short Term Rehabilitative Therapies Return Seniors Home

Saint Mary’s offers short-term rehabilitative therapies that are available for seniors who require temporary admission for medical rehabilitation. Our on-site nursing care and award winning Physical, Occupational and Speech Therapy Teams work toward a common goal—helping seniors gain the ability to return to their homes, when feasible.
$21 Million Investment Recommitting to Erie’s Eastside

Saint Mary’s has been an anchor of Erie’s Eastside for 125 years.

As part of the 125th Anniversary Celebration, Saint Mary’s committed to an exciting and important $21 million capital project to enhance the quality of life for seniors—the new construction and major renovation of the Skilled Nursing Facility at Saint Mary’s East.

This renovation will redefine nursing care as we know it. It will provide a home-like environment that includes many features to promote privacy, choice and independence for seniors.

All private resident rooms and bathrooms, recreation spaces, an enclosed courtyard, as well as, the new fine dining and country kitchen areas are critical to the sense of “home” and to the health and well being of our residents.

$2 Million in Charitable Care

Last year, 57% of the residents in Saint Mary’s nursing facilities were eligible for government subsidies. The unfunded cost of care—the amount not covered by Medicaid—has risen to more than $2 million. (Cont. page 8)
Most seniors living in our residential areas do not qualify for any government support. Saint Mary’s Benevolent Care Program provides our qualifying residents with care when they are no longer able to fully afford their own expenses. In 2009, Saint Mary’s provided nearly $700,000 in Benevolent Care for our residents.

Pictured above is the Gallagher Center at Saint Mary’s East. It is Erie’s first freestanding facility designed for people with Alzheimer’s or related dementia needing nursing facility care.

Alzheimer’s Care

Even the most loving and accommodating family may be unable to meet the needs of a loved one with Alzheimer’s Disease or dementia. With the distinction of having the first freestanding Alzheimer’s facility in the area, Saint Mary’s offers a time tested continuum of care for seniors with dementia and related diseases.

Caring for seniors with dementia requires specialized skills and sensitivity. The goal of our program is to provide seniors with a sense of independence, accomplishment, value and meaning.

Alzheimer’s Support Group at Saint Mary’s East

Saint Mary’s Home of Erie is hosting the Alzheimer’s Association of Northwestern Pennsylvania Support Group meetings from 10 am to 11:30 am on the first Wednesday of each month. This support group is open to the public. The group meets at Saint Mary’s Gallagher Center, located at East 28th and Ash streets. The Gallagher Center is Erie’s first freestanding facility designed for people with Alzheimer’s or related dementia needing nursing facility care.

For more information about the Alzheimer’s support group please call Maura Pelinsky at (814) 451-1345.

Adult Day Services

In addition to full-time care, our Adult Day Services provides socialization and activities for adults in need of assistance and stimulation during day-time hours.

Innovative Technology

Technology touches every part of Saint Mary’s and is critical to the coordination of care, enhancing efficiency and improving the quality of life for seniors.

We are proactive in investing in healthcare technology and will continue to be the leader in this area.

Spirit of Volunteerism

Volunteers remain an integral part of improving the quality of life for our residents. In 2009 more than 75 volunteers, known as the Friends of Saint Mary’s, assisted in an array of activities including holiday events, companionship, shopping, bible study, art class and more.

Pictured above are the Saint Mary’s volunteers, The Friends of Saint Mary’s, who received special recognition for completing 100 volunteer hours. **Good Neighbors**

Saint Mary’s successfully partners with local organizations and fosters collaborations and on-going communications with our neighbors. Our most recent community service projects include: the Adopt-A-Highway Program, community education at local health and senior fairs and employee donations of household supplies for St. Martin Center. Saint Mary’s also raised $600 through a jeans day for Haiti relief and donated 1570 pounds in phone books to the Second Harvest Food Bank.

In honor of Saint Mary’s Mission Day, employees recently donated hundreds of items to St. Martin Center in support of their services. Making our Daughter's Hometown our Hometown

“We loved Saint Mary’s from the second we saw it.”

Pictured above are Sue Curry (back row) and her parents William and Mary DeShields (front row)

It was a life changing decision that Bill and Mary DeShields made when they moved into Saint Mary’s at Asbury Ridge two years ago. They lived in Bethel Park, PA most of their lives and left a home of 60 years when they came to Saint Mary’s.

A few years back Mary had a health problem and received care at a local nursing facility in Bethel Park. Bill spent most of his days visiting with his wife, but was also maintaining their home. Bill cared for Mary as best he could for well over a year, but then found his own health seriously deteriorating to the point where he needed additional care as well.

Bill and Mary’s daughter, Sue, had moved to Erie with her husband, Paul, a number of years ago for job opportunities. They would visit their parents at least once a week and try to help in anyway they were able. Although this was extremely difficult for Sue and Paul, to make a weekly trip to Bethel Park, they did so without a second thought.

Sue decided to start looking into options that could make life easier for her parents. She wanted to try and find a place where they would be closer to her. After intensive searches she decided to pitch the idea about moving to Erie, to a place called Saint Mary’s at Asbury Ridge. Bill and Mary were a little apprehensive but decided to, at least, look at the facility.

“We loved Saint Mary’s from the second we saw it,” said Bill. “It was a beautiful campus and it was very clean. As time went on, we also found out how great the employees were to the people they cared for.” It did not take long before Bill and Mary decided to move to Erie. This would allow them to see their daughter more often.

Although Bill and Mary live in different areas of Saint Mary’s, they still spend most of their days together. Bill lives in the apartments while his wife is down the hall in the nursing area. “I am pretty independent, but I like that I can call for a nurse if I have an emergency. They are very quick to respond,” explained Bill. He is also appreciative of the care his wife receives and has seen improvement in her since they moved in. Bill emphasizes, “The care here is great and everyone is interested in you. It makes me feel good.”

Bill and Mary feel very fortunate they can get the care they need and still spend a lot of time together. They are able to see their daughter on a regular basis and it is much easier for her now that they live in the same city. Although Bill and Mary will always consider Bethel Park their home, they now consider Erie and Saint Mary’s their home as well!
Three years ago construction began on the first of 26 Independent Living Carriage Homes that are located on the Saint Mary's at Asbury Ridge campus. The Carriage Homes are being built as they are reserved. This gives future residents the benefit of selecting the site they would like and many options in personalizing the home, before it is built.

Currently only nine Carriage Home sites remain. “It is a great time for anyone who was considering a Carriage Home to make that decision,” explains Anthony Allegretto, Director of Marketing. “People still have time to reserve a home and have great options for different sites.” Once the remaining homes are built, their availability and location choices will be more limited.

There has been a balanced mix of single and married residents moving into the Carriage Homes. There are many different reasons that make the homes so attractive to seniors. For some, it is the maintenance free home located on a beautiful campus surrounded by woods, but still close to major shopping areas. For others, it is the benefit of having priority access to Saint Mary’s services, as a long term plan for health care needs. Regardless of the reasons people choose the Carriage Homes, this spring is a great time to reserve one of the remaining sites and lock in the pricing on the entrance fee for the homes!
Dear Residents, Families and Friends,

Two thousand and nine was a year of notable success. We marked our 125th year of serving the community and increased giving to the Annual Campaign. The Campaign exceeded its goal with a record $216,755—a 5.2% increase over the previous year, which is a tribute to the generosity of many loyal donors.

There were a total of 725 donors to the Saint Mary's Annual Campaign, with residents and families accounting for 41% of all contributors. The average gift increased from $260 to a record setting $299.

More than 23% of contributors increased their gift in 2009 and 40% made their first gift to Saint Mary's. As with any important effort, it takes a team to be successful. Our loyal and first time donors continue to make it possible to provide excellent care for our residents.

Significant new pledges were made to help fund the new construction and major renovation of the Skilled Nursing Facility at Saint Mary's East. Three such gifts will result in the naming of new nursing stations and courtyard. Upon completion of the construction, we look forward to honoring these contributors and unveiling the new naming plaques.

We introduced our “Blessings” newsletter to educate our donors about financial and estate planning. We are also forming a planned giving society called the Estate Giving Benefactors to recognize donors who have remembered Saint Mary's in their will or through another type of planned gift. We hope this society will inspire others to consider a planned gift to Saint Mary's.

Our accomplishments last year would not have been possible without the generosity of our donors and the dedication and support of the entire Saint Mary's community. Thank you for your steadfast support of our Mission. We pay tribute to the following list of donors. This annual report is a celebration of each of you.

Don DeNardo,
Maintenance Mechanic,
Saint Mary’s at Asbury Ridge
“My days at Saint Mary’s are rarely dull. Whether I’m
repairing an air conditioner or painting an apartment…
in between I get to know some of the most interesting
people: residents, employees and visitors.
I’m also blessed to be part of the best maintenance
crew in town.”

Mary Jane Graf,
Saint Mary’s at Asbury Ridge
“I have my own apartment and space to live in, but
what I enjoy most at Saint Mary’s is being with other
people and having friends to eat and socialize with.
Saint Mary’s has done a great job of providing me the
things I need and want at this point of my life.”

Our Work… And the Lives We Touch… Can Be Your Legacy.

Transform the lives of older adults by leaving a gift to Saint Mary’s in your will.

“Becky and I feel blessed for the care our loved ones received at Saint Mary’s. We want to provide the same care for future generations. That’s why we have named Saint Mary’s as a beneficiary in our will.”

– Bill Flaherty
