President's Message

YOU MADE A DIFFERENCE!

Thank you for the myriad ways that each of you made a difference in the lives of our Residents during 2015!

Hopefully, through this 2015 Annual Report, you will be moved to join, once again, in our Mission of "Loving to Care" and "fostering an atmosphere of community".

YOU, our donors and benefactors, are crucial to Saint Mary's Benevolent Care Program and to the on-going Mission of Saint Mary's Home of Erie and our two campuses.

During 2015, Saint Mary's provided \$616,253 through our Benevolent Care Program to assist those Residents, who qualified, after their personal funds were depleted. We have stringent criteria so that your generosity is not taken advantage of.

Through our Annual Campaign, Erie Gives, donor-advised gifts through the Erie Community Foundation, Follies, Estate Planning, Memorial/Honorarium Gifts, Gifts in Kind, and other avenues, YOU MADE A DIFFERENCE in the lives of our Residents.

As you peruse this issue of the MIRROR, I hope you are able to appreciate how much of a difference you made.

That difference was evidenced in the smile of a Resident as the strain of economic distress was lifted.

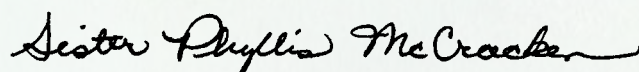

That difference was evidenced by the many activities which our Residents enjoyed throughout the year – just look inside!

That difference was made possible by each and every one of you including our generous Volunteers and dedicated Employees!

In whatever way you were able to assist, it was greatly appreciated by those whose lives you have touched and cared about!

May you continue to know what it is to MAKE A DIFFERENCE!

After all, we're Saint Mary's and we're all about YOU!

Supporting THE ERIE COMMUNITY & Strengthening NEIGHBORHOODS

As a Catholic not-for-profit organization, reinvesting Saint Mary's resources back into the Residents, Employees and Erie Community is vital to fulfilling the Mission of "Loving to Care." After all, it is Erie Community Leaders that assist in governing our organization. Saint Mary's social accountability is positioned through the care and services offered to seniors, their families and the greater Erie Community.

Rose Graham, Executive Director at SSJ Neighborhood Network West, and Russ Patsy, Asbury Ridge Maintenance Team Leader, as they unload the Mission Day donations from Saint Mary's at Asbury Ridge.

Mission Day donations at Saint Mary's East ready for delivery.

Saint Mary's East and Saint Mary's at Asbury Ridge serve as clinical sites for future healthcare professionals as a way of actively educating tomorrow's leaders. Students from Gannon University, Mercyhurst University, Penn State Behrend and other local business schools gain hands-on educational experiences in the field of gerontology.

The contributions to the medical health of the community are more easily seen, but there are also

eye opening efforts that benefit the economic health as well. In 2015, more than \$18 million in wages and benefits were provided for Saint Mary's Employees, most of whom live within Erie County. In the "Erie 2016 Report" by the *Erie Times-News*, Saint Mary's was #30 on their list of businesses that employ the most people in Erie County. A total of \$616,253 was designated to Benevolent Care for Saint Mary's Residents. Most seniors who reside in Residential Living do not qualify for any government support. Saint Mary's Benevolent Care Program provides qualifying Residents with care when they are no longer able to fully afford their own expenses.

Saint Mary's also extends its Mission into the Erie Community by partnering with local organizations.

Employees are encouraged to foster collaborations and on-going communications. They provide community education at schools, senior centers and health fairs throughout the year. Saint Mary's East Employees sponsor an Adopt-A-Highway Program which focuses on a portion of East 26th Street. Fundraisers and monetary donations also help many other churches, schools and charitable endeavors within the community every year. Employees celebrate Mission Day each year as a day to reflect on the reasons for the work they do and the community they serve. The donation drives that were conducted benefited the Sisters of St.

Joseph Neighborhood Network East and Sisters of St. Joseph Neighborhood Network West. The Neighborhood Networks are playing a very important role in revitalizing inner city neighborhoods.

It is through the collaborations and support of one another that the Erie Community will continue to prosper as they face the challenges ahead. Saint Mary's is proud to be an anchor in the community that helps lead through its Mission of "Loving to Care" and "fostering an atmosphere of community."

Saint Mary's held concerts throughout the Summer for the Residents and their families. Guests from the Erie Community were invited, free of charge, to join these limited seated events.

Short-term stay offers long-term benefits at Saint Mary's Home

Dave Montgomery has always been a doer — over the years raising a family, working two jobs and maintaining a 70-acre farm.

Even in retirement, the 78-year-old put in a full day around the North East farm home he and his wife, Marge, purchased in 1959.

But this summer, Montgomery fell while painting trim on a second-story window. He required complex surgery on both legs and needed daily physical therapy, medication and pain management, nursing and personal care to recover.

Where would he go?

Social workers at the hospital suggested he stay at a short-term rehabilitation facility and offered a list of options. After meeting with a nurse assessor to see if her husband qualified, Marge Montgomery chose Saint Mary's Home of Erie, which offers short- and long-term rehab as part of its continuum of care at its Saint Mary's East location on East 26th Street as well as at Saint Mary's at Asbury Ridge on West Ridge Road.

Short-term rehab is designed to meet a temporary need — such as after a broken bone, joint replacement surgery or cardiac issue, said Saint Mary's East Administrator Cheryl Truett, RN. Your stay may be only a matter of weeks.

Offering large, private rooms complete with WIFI and flat screen TVs, you'll quickly notice that Saint Mary's isn't your Grandma's nursing home.

That's in part because the function of today's care has also changed, Truett said. Now there is a greater demand for rehab services rather than custodial care.

"Years ago people weren't living as long," said Truett, who has worked at Saint Mary's East for 28 years. "Now they are living longer and staying at home longer. It created a whole new need — for people who want to recover and get back to what they were doing before."

To achieve that goal, Saint Mary's offers residents a full spectrum of services including physical, occupational, speech and respiratory

Marge and Dave Montgomery meet with physical therapist Brian KomisarSKI in the beautifully landscaped courtyard at Saint Mary's East. They are joined by Dexter, the resident cocker spaniel.

therapy. Therapy is offered both in the patient's room and in the on-site gym, seven days a week.

In addition, Saint Mary's offers Accelerated Care Plus services, which utilize electric stimulation and ultra sound techniques to promote faster healing from joint replacement, wounds, urinary incontinence, pain, joint contractures and stroke.

"We individualize each treatment session toward that person's goals," said Brian KomisarSKI, one of the physical therapists who worked with Montgomery. "When they progress and are able to get back home, it's very rewarding."

Dave Montgomery can't wait for the moment when he walks back in his front door. After all, this is the first time in 59 years of marriage he and Marge have been apart.

While that date is still to be determined, he can feel improvements each day. Recently, he was able to stand for the first time and walk a short distance.

Moreover, Saint Mary's understands that

patients need to be nurtured in the spirit, mind and body.

That's why whether seniors call Saint Mary's home for a short-term or longer stay, their lives are enhanced by a full schedule of activities, including programs that teach how to use an iPad, intergenerational programs with neighboring school children, and various clubs to support educational and active lifestyles.

Saint Mary's operates in the Catholic tradition and offers both Catholic and ecumenical services along with scripture studies and prayer groups.

"I think it's a wonderful place," said Marge Montgomery, who can order from the restaurant-style menu and dine with her husband each day. "The people are all friendly and I'm amazed at how clean it is. I haven't got one complaint."

SAINT MARY'S FOLLIES

2015 Ageless Remarkable Erieites – Joseph J. Prischak and F. Brady Louis

The third annual Saint Mary's Follies was held on September 10, 2015 in the Grand Ballroom of the Bayfront Convention Center. The evening shared the inspirational stories of F. Brady Louis and Joseph J. Prischak who were both presented with an Ageless Remarkable Erieites (ARE) Award. This award is given to seniors age 75 and older who have remained committed through service and volunteerism to making the Erie Community a better place.

The 2015 Follies was led by chaircouple, Art and Helen Martinucci, as well as honorary chaircouple, Debbie and the late Lou Porreco. Highlights from the evening included performances coordinated by Mike and Jean Malthaner along with Almi Clerkin and the Erie Playhouse. The evening concluded with inspiring tribute videos to the ARE honorees.

Thank you to all of the Sponsors, Honorees, Entertainers, Volunteers, Attendees and Employees who helped raise an impressive \$76,485 for Saint Mary's Benevolent Care Program. Most seniors who reside in the Residential Care area do not qualify for any government support. Writing the Next Chapter

2015 brought about some exciting events and some big changes for Saint Mary's Residents. Transportation for Residents is now available at Saint Mary's East and Saint Mary's at Asbury Ridge. This stems from Home Care Services offered at Saint Mary's which are now available to the greater Erie Community. Please call Saint Mary's East or Saint Mary's at Asbury Ridge if you are interested in learning more about the Home Care Services.

There were also many events for Saint Mary's Residents and the Erie Community on both campuses. Many outdoor live concerts and Summer picnics highlighted the Summer months, while lunch and learn programs, open houses, and intergenerational programs kept things moving even when the weather was not favorable.

The TV stations captured some of the events like the Saint Mary's Follies, Katie Rankin's retirement party after 58 years of service and the Saint Mary's East Mardi Gras Parade.

Coverage from a previous parade was even incorporated in WICU's 2015 commercial "This is Home" campaign!

The Pennsylvania Cable Network (PCN) aired a special on Saint Mary's in September of 2015 called "Catholic Health Care in Action." There was also a great article on Saint Mary's short-term rehabilitation in the December issue of *Lake Erie Lifestyles Magazine* which can be found on page six of this Annual Report.

In 2015, construction began on the final two Carriage Homes. There are now 26 Carriage Homes on the Saint Mary's at Asbury Ridge Campus. We welcome all of our new families!

Each year Saint Mary's Residents and Employees experience many changes. These changes come in the form of health care, services, activities, renovations and education. It should be a great feeling for the Volunteers, Donors, Supporters, Employees and Residents to reflect back at 2015 and know that their efforts produced some amazing changes that really benefited seniors and the Erie Community.

Rosheema Lester, center, is pictured with Norma Jenkins, left, and Joe Spinelli, right, during the Mardi Gras Parade at Saint Mary's East. Norma and Joe were the King and Queen of the parade.

Pictured is Katie Rankin being interviewed by Fox 66 News at her Retirement Party. Katie retired from Saint Mary's East with 58 years of service.

2015 Donor and Giving Report

Making a Difference!

*"The nicest feeling in the world is to do a good deed anonymously
-and have somebody find out."*

~ Oscar Wilde

This quote really struck a chord with me when I was looking for the words to thank our generous Donors for their support throughout 2015. When you decided to give to Saint Mary's, you decided to help another person, a senior. This 3rd act of life, as they say, can take on many different facets for those who are blessed to live it. Unfortunately, sometimes it gets to a point, where despite all the saving and planning, a person may need a little help. That is where you, our Donors, decided to do a good deed. Chances are you found a connection to our Mission at some point in your own life and decided to help us carry it on. In this Annual Report, we are acknowledging your benevolence and sharing it with the world. We hope that others find the same connection that you found with Saint Mary's and decide to join us in our Mission of "Loving to Care."

The *Erie Times-News* recently published a study by SmartAsset that ranks Erie the fifth-best place in the nation to pursue an active retirement. I am proud to live in such a beautiful city and to serve our senior population. They will continue to bring great wisdom and leadership to the Erie Community. This group will also find its own set of challenges as science and medicine allow people to live longer lives. It will be through our collective good deeds that we are able to care for each other as needs arise. It will be through the sharing of your work and contributions that others may be inspired to join you in your Mission!

On behalf of Saint Mary's Board, Administration, Employees and Residents, I would like to personally thank all of our Donors for their ongoing support!

by the Alzheimer's Association of Northwestern Pennsylvania.
It is held from 10 am to 11:30 am on the first Wednesday of each
month. This Support Group is open to the public.

Support Groups allow the opportunity to:

- Connect with other families and caregivers who are dealing
with the disease and reduce feelings of isolation
- Learn techniques that can help ease the physical and emotional
burden for both patient and caregiver
- Share practical ideas and feelings in a supportive setting

For more information about the Alzheimer's Support Group,
