## ENRICHING LIVES AND MAKING A DIFFERENCE DURING 2016

As I reflect on 2016 for this Annual Report, I am drawn first of all to our Mission and Vision Statements, which you will find in this issue of the MIRROR. As a not-for-profit faith-based Continuing Care Retirement Community, Saint Mary's strives, always, to have the Mission be our litmus test for all of our programming and outreach.

Thanks to the generosity of time, talent and giving offered by each of you, Saint Mary's was able to enrich many lives during 2016 both within our walls and in the greater community. Some of those whose lives were touched and/or who assisted in enriching those lives included:

- Our Residents and their families/significant others
- Our Employees
- Our volunteer Board who graciously gave of their time and talent
- The Friends of Saint Mary's (our volunteers) who assisted, in a multitude of ways, with life enriching activities for our Residents
- You, our generous donors, supporters and sponsors without whom we would have been unable to provide the breadth of enrichment to our Residents which you will find elicited in the following pages of this Annual Report.

The enrichment I have seen in 2016, and I hope you will experience by reading this Annual Report, consists of experiences that are life-giving and palpable!

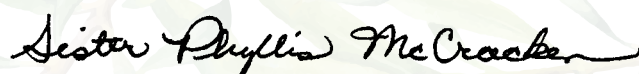

You have, indeed, made a difference in the lives of our Residents and our organization. Hopefully, we were able to enrich the lives of our Residents, Employees and the greater Erie community. You will see examples of our activities for outreach to those in need outside of our doors through partnerships with local universities and schools as a clinical site for students, through our annual Mission Day collection of products for the Sisters of St. Joseph Neighborhood Network (SSJNN) East and West, neighborhood cleanups by our Landscaping Team, attendance at community events (look for our vans) and sponsorships of community events.

2016 saw both of our facilities receive QAPI (Quality Assurance Performance Improvement) Accreditation. I am very proud of every employee's efforts in regard to quality care and improvement.

Our Electronic Health Record was implemented on both campuses during 2016.

Thank you for making all of this possible and we hope we have enriched your life, as well!

After all, we're Saint Mary's and we're all about YOU!

# *Supporting* THE ERIE COMMUNITY & *Strengthening* NEIGHBORHOODS

**We make a difference.** As a not-for-profit organization, Saint Mary's concentrates on what is vital to fulfilling our Mission of "Loving to Care" – reinvesting our resources back into the Residents, employees and Erie community.

We are proud to have Erie community leaders who form our volunteer Board of Trustees and assist in governing our organization. Our social accountability is therefore guided and positioned in the spirit of our Mission. Outreach programs, community collaborations and educational opportunities are a large focus each year to ensure that we meet the needs of the community we serve.

## COMMUNITY COLLABORATIONS

Throughout the year we partnered with the Erie community to extend the Mission of Saint Mary's into our surrounding neighborhoods and beyond. Saint Mary's East employees sponsored an Adopt-A-Highway Program that focused on a two mile stretch of East 26th Street. Saint Mary's Adult Day Services took several fieldtrips around Erie to schools, restaurants and businesses to enhance community connections. Intergenerational programs between Saint Mary's Residents and children from local schools and day care programs were organized on a regular basis to help "foster an atmosphere of community." Saint Mary's at Asbury Ridge served as the host site for monthly Millcreek Kiwanis Club meetings. Jeans Day fundraisers, held weekly, raised over \$2,900 for the Alzheimer's Association. Both campuses held educational Lunch and Learn Programs about various topics that were open to the public. Here at Saint Mary's Home of Erie, we are proud to unite with and take part in leading the Erie community as we serve out our Mission of "Loving to Care."

## ALZHEIMER'S SUPPORT GROUP

A Support Group sponsored by the Alzheimer's Association of Northwestern Pennsylvania is hosted monthly at Saint Mary's East. Held from 10:00-11:30 a.m. on the first Wednesday of each month, this group is open to the public and allows the opportunity to:

- Connect with other families and caregivers who are dealing with the disease and reduce feelings of isolation
- Learn techniques that can help ease the physical and emotional burden for both patient and caregiver
- Share practical ideas and feelings in a supportive setting

For more information about the Alzheimer's Support Group, please call Maura Pelinsky at (814) 451-1345.

## MISSION DAY

Mission Day is celebrated by employees as an opportunity to reflect on why we exist and the community we serve. On March 18th, 2016 non-perishable items were collected at campus-wide donation drives which benefited the Sisters of St. Joseph Neighborhood Network East and Sisters of St. Joseph Neighborhood Network West. These drives support the Neighborhood Networks in their ongoing work to revitalize inner city neighborhoods.

## EDUCATING TOMORROW'S LEADERS

By serving as a clinical site, we offer education and career development for students in the healthcare field. Young professionals from local schools such as Gannon University, Mercyhurst University, Penn State Behrend, the Erie School District Nurse Aide Program, and the HVA Nurse Aide Program come to Saint Mary's to enhance their education and future careers. In addition to providing onsite education, employees also provide community education outside of Saint Mary's Home of Erie by participating in events at schools, senior centers and health fairs.

# Technology & Lifestyle FOCUSED

How do we continue to enrich the lifestyles of our Residents? At times it seems the answer may be simple: technology. Advances in technology have not only increased our ability to more effectively meet the medical needs of our Residents, but their social and personal needs, as well. Engaging experiences with technology allow Residents to connect with others, both near and far, and with themselves, as they discover new ways to explore their own interests.

- “Joey” is a computerized activity aide at each campus that helps Residents learn about technology while having fun with the various interactive programs it offers. As part of the iN2L (It’s Never Too Late to Learn) system, “Joey” helps Residents with cognitive stimulation, memory care, socialization skills, maintaining independence and more.
- Saint Mary’s iPads and public computers are another way Residents are staying connected with the world around them. Researching interesting facts to share with others, video chatting with distant relatives and friends, playing fun, yet challenging, games and keeping up with local and world news are just some of the ways our Residents are embracing technology.
- iPods are used for Music Therapy which helps improve the quality of life and mental well-being of our Residents. Both campuses are certified in the Music & Memory<sup>SM</sup> program which has allowed trained employees to create personalized playlists for Residents aiding in the reduction of depression, anxiety and pain while improving mood.
- Our Electronic Health Records Management system, eMAR, documents both the administration of medications and treatments for our Residents, ensuring accuracy and order follow-through. Designated employees can receive instant access to medical information regarding Residents through this seamless technology.
- Free Wi-Fi is offered to Residents, family members and visitors. Wi-Fi is used to provide additional ways for individuals to communicate with one another, share stories and photos of loved ones, and utilize all that technology has to offer.

Pictured is Dick Belcher, East Resident, using an iPod that is part of the Music & Memory Program offered at Saint Mary’s East and Saint Mary’s at Asbury Ridge.

Pictured, from left, are Amy Erdley, Director of Information Technology, working with Taniesha Keith, East LPN, in Saint Mary’s Electronic Health Records Management System (eMAR).

# 2016 Donor and Giving Report

## Making a Difference...

**W**e all make a difference in the lives of others. The ways in which we work with others, socialize, collaborate, pray and participate in recreational outlets all have positive or negative effects on those around us. In turn, good or bad, people often share those feelings with others, a ripple effect. You can turn on any media source and see many negative ways that people make a difference. The good news is there are many more instances where people are making a positive difference.

This short reflection is one that will highlight the many positive ways that YOU, our donors, sponsors, volunteers and family members, are making a positive difference that ripples through the lives of everyone at Saint Mary's. As you read through our Annual Report you will read hundreds of names of people who believe in Saint Mary's Mission and contribute to its success.

You will see the contributions Saint Mary's employees are making in the lives of seniors. You will also see what an organization, which boasts 132 years of caring, does for the local community and economy. It affects every age, young and old, as we come together to help create lifestyles that reflect a quality of life.

**“Every child is an artist. The problem is how to remain an artist when we grow up.” - Pablo Picasso**

The above quote from Pablo Picasso fits eloquently into what we set out to achieve. The services and care that we offer are often the focal point in a discussion. While we pride ourselves in that care, it is equally important that we offer our Residents many different outlets to express themselves. Art classes, concerts, music therapy, technology, social gatherings, and the list goes on, are all ways Residents continue to be that “artist” despite some of the challenges of aging that someone can experience. **It is through YOU this experience continues to meet the needs of those we serve.**

Thank you for making a difference!
